Unique experience

11 Oct 2018

Attention of the gentile personnel, new and renewed facilities. They even put total dedication to the food sent a previous form on dietary restrictions and were attentive to help me and supplement my meals since I could not eat bread or rice. In addition, the food is of good quality and accurate. The boat was going at moderate speed and therefore little likelihood of dizziness. We were not more than 12 people and very quiet environment. All tickets including even the Kayak, beach and cave. Wifi can improve, it only worked once in the two days. They could include soft drinks and alcohol charge separately.

A must do part of a Vietnam experience

21 Dec 2017

The boat was the perfect size, enough people to have a variety of conversations but not too many that it seemed like a conga line. Hands on cooking class was delicious but overal it was just the manner in which every activity was delivered - happy, relaxed and thoroughly enjoyable. Stating the obvious that the rear rooms were affected by the exhaust fumes when motoring, totally unavoidable but worth considering if overly sensitive. We didn't spend much time in the room so it wasn't an issue.
